Game description

Juicy Booster Dice is a 3-reel, 3-row video slot with 5 fixed paylines and a special Booster Reel that adds an extra layer of excitement to every spin. Classic fruit symbols fill the reels, while the Basket acts as a Wild, substituting for other symbols to help create winning combinations.

The real flavour comes from the Booster Reel, which sits alongside the main reels and features either a multiplier or a special Reward symbol. When a multiplier lands in the centre, it boosts all winnings from the spin by up to 15×, with values ranging from 1× to 15×.

Landing the Reward symbol in the centre of the Booster Reel activates the Rewards feature, awarding a random prize of 25×, 50×, 100×, or a massive 1,000× the bet. The feature can trigger even without a line win, making every Booster Reel spin worth watching.

Players can also activate Extra Chance, removing the 1× multiplier and increasing the chances of landing higher multipliers or the Reward symbol for an additional 50% of the bet.
