Marketing description

777 Summer Hit Dice from BF Games keeps things cool and classic with a sunny twist. It's a 3-reel, 3-row slot with 5 fixed paylines, built for players who enjoy straight-to-the-point gameplay with a splash of retro charm. Line up matching symbols from left to right and soak in those easy, satisfying wins—no frills, just fun.

The game spices things up with a Free Spins feature that kicks in when three Free Spins symbols land on a line, giving you 5 Free Spins to keep the momentum going. They can retrigger, too, keeping the summer streak alive a little longer. And if the Triple Seven symbol rolls in during Free Spins, it adds a crisp $\times 20$ bet win for each one. Light, lively, and perfect for players who want a touch of sunshine with their spins.
