

777 Winter Hit

Game description

BF Games' is bringing all the chill with 777 Winter Hit, a classic fruit-themed slot wrapped in frosty, cosy vibes. Set against a snowy backdrop, this game brings a cool twist to the traditional slot experience, with crisp visuals and icy symbols that pop on every spin. Spin the reels for a chance to trigger brisk Snowflake Free Spins and keep an eye out for the shimmering Triple Seven Wild symbols, which light up the reels with fiery wins despite the cold. With 777 Winter Hit, BF Games offers a refreshing mix of nostalgia and holiday cheer.

Marketing description

Step into a winter wonderland with BF Games' 777 Winter Hit, a 3-reel, 3-row video slot that combines the charm of classic fruit symbols with frosty seasonal vibes. This slot features 5 fixed paylines, and your goal is to land as many identical symbols as possible along any of those paylines. The crisp, snow-dusted reels are packed with familiar icons, but with a wintry twist, keeping each spin festive and cool.

The real chill begins when you land three Snowflake Free Spins symbols on a winning line, triggering 5 Free Spins. As the snow falls in the background, your Free Spins can be retriggered during the feature, giving you another 5 Free Spins added to your current count. This gives you the chance to extend the fun as you watch the snowflakes fall and your potential rewards grow with each icy spin. With each retrigger, you'll feel like the winter magic is endless, keeping the reels spinning in your favour.

The Triple Seven Wild symbol is the ultimate prize on this wintry adventure. Appearing on all reels, it substitutes for all symbols, helping to complete winning paylines with ease. During Free Spins, each Wild symbol comes with a delightful surprise—paying a 20x bet for every appearance, turning your cold spins into sizzling hot wins.

With a perfect balance of classic slot mechanics and frosty features, 777 Winter Hit offers a cool and rewarding experience that's sure to warm your gaming sessions all season long.
