777 X-Mas Gifts Dice

777 X-Mas Gifts Dice is a 3-reel, 3-row video slot with 5 fixed paylines. The objective is to land as many identical symbols as possible along a payline. Winning combinations start on the first reel on the left and run along an active payline to the last reel on the right. Wins from different paylines are added up.

Free Games

Landing three FREE SPINS symbols on the winning line will trigger 5 FREE SPINS. FREE SPINS can be retriggered during FREE SPINS. In case of retriggering of the FREE SPINS, the player wins another 5 FREE SPINS, which are added to the current number of FREE SPINS. FREE SPINS are played at trigger bet, on an alternate set of reels.

Wild

The WILD in the game is the TRIPLE SEVEN symbol. WILD symbol can appear on all reels. WILD symbol substitutes for all symbols. The appearance of the three TRIPLE SEVEN symbols does not trigger FREE SPINS. Each WILD symbol that appears during FREE SPINS pays bet ×20.

X-mas Rewards

Each spin in the base game has a chance to trigger X-MAS REWARDS , which launches the "Pick and Click" game. Nine gifts appear on the screen, each hiding one of the X-MAS REWARDS: Grand, Major, Minor, or Mini. Win value for MINI is fixed for 10× bet stake, for MINOR is fixed for 20× bet stake, for MAJOR is fixed for 100× bet stake, and for GRAND is fixed for 400× bet stake. The player selects the gifts one by one, and the goal of the game is to match three identical X-MAS REWARD symbols. The game ends when three identical X-MAS REWARDS are revealed. After collecting them, the player wins the corresponding prize. The win is added to the player's account balance.
