Dear Partner,

Along with Acropolis Fortune Dice™ pack, we are giving you the opportunity to create thumbnails on your own. While doing it, please remember about rules below.

Examples of how proper thumbnail should look like.

1. Thumbnail must include game logo and background, along with characteristics symbols or game's main character.
2. Our logo has two variants – horizontal and vertical – remember to choose correct version, so it will always be clearly visible and legible.
3. While creating thumbnail don't manipulate our elements – don't change colors, distort the shape of our logo or add unrelated elements that do not come from official graphic asset that we provide.
