

## Book of Gods Extra

Book of Gods Extra is a 5-reel, 3-row video slot with 10 paylines. The objective is to land as many identical symbols as possible along a payline. Winning combinations start on the first reel on the left (excluding SCATTER symbols) and run along an active payline to the last reel on the right. Only the highest winning combination is paid per line.

### Free Games

Landing three or more SCATTER symbols will trigger 10 FREE GAMES with EXTRA SCATTER symbols. Before the start of each FREE GAMES session, one of the line symbols (except for the SCATTER symbol) randomly becomes the EXTRA SCATTER symbol. The EXTRA SCATTER symbol substitutes for all other symbols on the whole reel. EXTRA SCATTER symbols can form SCATTER wins only and cannot be a part of regular line wins. If FREE GAMES are retriggered, the player unlocks 10 extra FREE GAMES, which are added to the current number of FREE GAMES. FREE GAMES are played using the same trigger bet and paylines that were active during the normal gameplay mode in which FREE GAMES were triggered. During FREE GAMES an alternate set of reels is used.

### Scatter

The SCATTER symbol substitutes for all other symbols on the reels. Landing three or more SCATTER symbols will trigger 10 FREE GAMES with EXTRA SCATTER symbols. Wins using a combination of SCATTER symbols only are possible. SCATTER symbols can appear on all reels. Only one SCATTER can appear on each reel.

### Buy Feature

Pressing the button presented above opens the FREE GAMES BUY FEATURE panel. This game offers you the possibility to purchase FREE GAMES instead of waiting for them to trigger. For 90× base bet the player can buy 10 FREE GAMES. Each purchase immediately triggers FREE GAMES. FREE GAMES BUY FEATURE can be activated in base game only.

### Extra Chance

With the EXTRA CHANCE feature set to “on”, the player will have the higher chances of appearing BOOK symbols on the reels during every regular spin. The cost of the EXTRA CHANCE is an additional 50% of the player’s current bet stake. Activating the EXTRA CHANCE feature will affect the regular game mode only, and has no impact

on the FREE GAMES. Regardless if EXTRA CHANCE feature is on or off, the winning combinations are always paid the same.
