

Book of Gods Extra

Game description

Book of Gods Extra by BF Games invites players back into a world shaped by divine forces and ancient mysteries. With rich visuals and immersive sound, each spin feels like a step deeper into forgotten realms. Free Games, Extra Chance, and the Buy Feature offer new ways to explore the power hidden within the reels. The Book holds secrets waiting to be revealed - will you be the one to unlock them?

Marketing description

Unlock the secrets of Egypt with Book of Gods Extra, the latest slot release from BF Games! This captivating slot blends ancient legend and state-of-the-art features to transport players into a realm where pharaohs ruled and the gods wagered their power.

Designed on a classic 5x3 reel layout with 10 paylines, Book of Gods Extra offers a familiar base for both seasoned enthusiasts and new explorers. But this chapter goes further, opening up enhanced play with Free Games featuring Extra Scatter symbols that multiply opportunities for big rewards, a Buy Feature for instant entry to the most coveted bonus rounds, and an Extra Chance option for those ready to risk it all for another shot at glory.

Game phrases
