

Buffalo Trail - Cash Mesh LINK

Marketing description

Buffalo Trail – Cash Mesh LINK by BF Games takes players deep into the untamed wilderness in a 5-reel, 3-row video slot with 25 fixed paylines. Set against a rugged landscape where herds thunder across dusty plains, the game blends classic slot mechanics with the dynamic Cash Mesh feature and connected jackpots, delivering a powerful mix of natural force and rewarding potential.

Game description

Feel the ground shake beneath your feet as Buffalo Trail – Cash Mesh LINK charges onto the reels. Set in a vast, sun-scorched wilderness, the game captures the raw power of nature, where roaming buffalo herds and hidden treasures create an atmosphere of anticipation with every spin.

The game features 25 fixed paylines, with winning combinations forming from left to right starting on the first reel. Only the highest win per symbol is paid, while all wins across paylines are added together.

At the heart of the experience lies the CASH MESH feature, triggered by landing 5 or more COIN symbols. Once activated, COIN symbols lock in place while the remaining positions respin individually. Each COIN carries a predefined value or a JACKPOT/BONUS label, and the feature continues until all spins are used or the grid is filled.

If the reels are not completely filled by the end of the feature, CASH MESH BONUS SPINS may be awarded once, granting 1 to 3 additional respins to extend the action.

Filling all 15 positions during CASH MESH activates the FULL HOUSE multiplier, doubling the total value of collected COIN symbols (excluding JACKPOT/BONUS wins) and delivering a powerful boost to the final reward.

The adventure continues with FREE GAMES, triggered by landing 3, 4, or 5 SCATTER symbols, awarding 8, 16, or 24 Free Games respectively. During the feature, low-value symbols are removed from the reels, increasing the chances of stronger combinations, while the CASH MESH feature can still be triggered to amplify the winning potential.

Driven by powerful features and the spirit of the wild, Buffalo Trail – Cash Mesh LINK delivers a thrilling journey where every spin follows the thunder of the herd.
