

Buffalo Trail Dice

Buffalo Trail Dice is a 5-reel, 3-row video slot with 25 fixed paylines. The objective is to land as many identical symbols as possible along the payline. Winning combinations start on the first reel on the left (excluding the SCATTER symbol) and run along a payline to the last reel on the right. Wins on different paylines are added. Only the highest winning combination of one symbol is paid out.

Cash Mesh

Landing 5 or more COIN symbols on any spin triggers the CASH MESH feature. Number of CASH MESH spins are according to the number of COIN symbols which triggered the CASH MESH feature. Each COIN symbol has a predefined value or a JACKPOT/BONUS label. On each CASH MESH spin, any position containing a COIN symbol is held and all other positions spin individually. CASH MESH spins keep awarding until either bonus spins finished or all positions filled.

Extra Bonus

If CASH MESH spins are finished and all positions on reels are not filled then CASH MESH BONUS SPIN will be awarded. CASH MESH BONUS SPIN may only be awarded once per feature. Number of CASH MESH BONUS SPINS will be randomly awarded out of 1, 2 or 3.

Full House

Landing 15 COIN symbols during CASH MESH is awarded with an additional FULL HOUSE multiplier $\times 2$ to total values of COIN symbols. The final winning is the value of all symbols added. FULL HOUSE multiplier is applied only on the reels winnings (excluding JACKPOT/BONUS wins).

Free Games

Landing 3, 4 or 5 SCATTER symbols triggers 8, 16 or 24 FREE GAMES respectively. FREE GAMES can be retrigged. FREE GAMES are played at triggered bet. Low value symbols will not appear during FREE GAMES. CASH MESH feature can be triggered during FREE GAMES. FREE GAMES and CASH MESH cannot be triggered at the same spin.

Jackpot

Landing COIN symbol with JACKPOT or BONUS label on reels only during CASH MESH awards player with an extra win. Offered prizes are shown on respective banners and may vary on each spin. JACKPOT or BONUS wins are available on every bet stake. Win value for MINI BONUS is fixed for $\{2\} \times$ bet stake and for MINOR BONUS is fixed for $\{3\} \times$ bet stake. The value of the MAJOR and GRAND JACKPOT increases gradually after each spin. Each player on the casino server contributes to the increase in the value of the JACKPOT. The fixed prize of the MAJOR JACKPOT is $\{0\}$, while that of the GRAND JACKPOT is $\{1\}$. The progressive prize is added to the fixed prize. When two or more players simultaneously trigger the same progressive jackpot it will be verified precisely and the prizes will be awarded depending on the order of winning. Once the GRAND or MAJOR JACKPOT is awarded on the casino server, its value is set to the fixed amount. After failure, the jackpot values will be reset to pre-failure state. All JACKPOT and BONUS symbols can appear simultaneously on reels.
