Evaluation Report

Burlesque Show

Report Reference – BFL-LV-250326-01-GC-R2

Dates of certification – 28-03-2025

Report prepared for – Bee-Fee Limited

Compliance Status – Compliant

Jurisdiction – Izložu un Azartspēļu Uzraudzības Inspekcija (IAUI)
Republic of Latvia

Technical Standards

Gambling and Lotteries Act issued 17 November 2005, including all amendments to 19 December 2024, Enter into force 01 January 2025.

Regulation 188 issued on 27 March 2018.

Regulation 189 issued on 27 March 2018.

Regulation 715 issued on 5 December 2017.

NOTE: "This test report may not be reproduced, other than in full, except with the prior written permission of the issuing Approved Test House"

Company Information

Testing Laboratory	Gaming Associates Europe Ltd
Address	178 Merton High Street, London SW19 1AY, United Kingdom - Office 7, 82 London Road, Leicester, LE2 0QR, United Kingdom - Hamngatan 27 101 33 Stockholm, Sweden
Laboratory Location	Leicester, United Kingdom
Website	www.gamingassociates.com
Contact number	+44 207 846 3707
Date of Testing	17-03-2025 to 20-03-2025
Test Supervisor	Qasim Raza
Assessor	Muhammad RAZA

Accreditation

Gaming Associates (**ga**) is a UKAS accredited Testing Laboratory and Inspection Body number 9263 accredited to perform conformity assessment activities catered to remote gaming systems against the technical requirements set by regulatory authorities worldwide including United Kingdom (UK), Alderney, Italy, Denmark, Spain, Isle of Man, Malta, Gibraltar, Croatia, Romania, Portugal, Lithuania, Latvia, Ontario, Sweden, Greece etc. To obtain further information about the accreditation, please visit <https://gamingassociates.com/accreditations/>

Conclusions and Recommendations

Subject to the scope of testing and based on testing performed by **ga** for client's game(s) provided, has formed an opinion that the assessed game(s) comply with the applicable technical standards of Latvia.

ga recommends that the game(s) listed in this document to be approved for use in Izložu un Azartspēļu Uzraudzības Inspekcija (IAUI) Republic of Latvia approved gaming platforms.

	The total value of winnings in interactive roulette (cylindrical games), card or dice games may not	Not Applicable	Tested game is an online slot game.

Req #	Requirements	Compliance Status	Comments/Anomalies
	be less than 80 percent of the total bets placed.		
Section 46	The right to organize interactive gambling		
1	(Excluded by the Law of 30.11.2015)	Acknowledged	Information only
2	The organization of interactive gambling and the acceptance of bets is permitted after the receipt of the relevant license issued by the Lotteries and Gambling Supervisory Inspection.	Acknowledged	Information only

Regulation 188: Regulations for the Information Required in the Compliance Reports of Interactive Gambling or Interactive Lottery Game Programmes

Req #	Requirements	Compliance Status	Comments/Anomalies
	Regulations on the Information that Shall Be Included in the Conformity Review of Game Programmes Used to Organise Interactive Gambling or Interactive Lotteries		
1	These regulations shall determine:	Acknowledged	Information only
1.1	The information that shall be included in the Conformity Review of an interactive gambling programme used to operate interactive gambling;	Acknowledged	Information only
1.2	The information that shall be included in the Conformity Review of an interactive lottery programme used to operate an interactive lottery.	Acknowledged	Information only
2	An interactive game programme is a set of data necessary to operate interactive gambling or interactive lotteries and contains one or more files.	Acknowledged	Information only
3	An accredited certification body shall include the following in the interactive game programme Conformity Review:	Acknowledged	Information only
3.1	General information:	Acknowledged	Information only

Req #	Requirements	Compliance Status	Comments/Anomalies
3.1.1	The name of the certification body;	Acknowledged	Information only
3.1.2	Date of issue of the interactive game programme Conformity Review;	Acknowledged	Information only
3.1.3	The number of the interactive game programme Conformity Review;	Acknowledged	Information only
3.1.4	The name of the interactive game programme;	Acknowledged	Information only
3.1.5	The name of the interactive game programme producer;	Acknowledged	Information only
3.2	Information on the game programme conformity with the following requirements:	Acknowledged	Information only
3.2.1	The game programme algorithm shall ensure that the total amount of winnings of interactive gambling is not less than 80 per cent of the total amount of bets made;	Compliant	The RTP of the game is not less than 80%.
3.2.2	The game programme algorithm shall ensure that the total amount of winnings of an interactive lottery is not less than 45 per cent of the total amount of ticket sales;	Not Applicable	This is an online slot game.
3.2.3	The interactive game programme algorithm shall be based on the principle of random selection and the outcome of a game shall be determined through the use of a random selection number generator;	Compliant	The game results are based on random numbers generated by the RNG.
3.2.4	The random number generator algorithm and the random number range change algorithm shall conform with the following requirements:	Acknowledged	Information only
3.2.4.1	The random number output shall be statistically independent;	Compliant	Refer to RNG Certificate. Ref: "RN-374-BFM 24-01
3.2.4.2	The random number output shall be unpredictable;	Compliant	The random number outcome is unpredictable.
3.2.4.3	The game outcome produced by the random number generator output shall correspond to a test result obtained by means of a random selection series of tests;	Compliant	The outcomes of the games are produced by RNG correspond with the test result.

Req #	Requirements	Compliance Status	Comments/Anomalies
3.2.5	The checksum of the interactive game programme and each of its components shall be displayed as a code as determined by the developer.	Compliant	Checksums have been collected and recorded after the supervised build of the interactive game program.
4	The certification body shall attach to the interactive game programme Conformity Review a document that confirms its authority to assess the conformity of the interactive game programme.	Acknowledged	Information only
5	The interactive game programme Conformity Review issued by the certification body to a specific gambling game or interactive lottery operated by an interactive gambling or interactive lottery operator before the entry into force of these regulations, shall remain valid until such time as changes are made in the respective interactive game programme.	Acknowledged	Information only
6	If, after the entry into force of these regulations, an interactive gambling game or interactive lottery operated by an interactive gambling operator or an interactive lottery operator does not have a corresponding interactive game programme Conformity Review issued by the certification body, then, within six months of the entry into force of these regulations, the operator of interactive gambling or interactive lotteries shall submit to the Lotteries and Gambling Supervisory Inspection an interactive game programme Conformity Review in accordance with the requirements specified in these regulations.	Acknowledged	Information only

Regulation 189: Regulations for the Operation of Systems for the Sales and Payments of Interactive Gambling, Interactive Lotteries and Lottery Tickets

Req #	Requirements	Compliance Status	Comments/Anomalies
	Regulations for the Operation of Systems for the Sales and Payments of Interactive Gambling, Interactive Lotteries and Lottery Tickets		

Req #	Requirements	Compliance Status	Comments/Anomalies
I.	General Provisions	Acknowledged	Information only
II.	Submission of Information on Changes in the Interactive Game Operating System and its Components	Out of Scope	The scope of evaluation is limited to the game design, game play, and fairness. Platform/change management have not been tested.
III.	Operating Principles of an Interactive Game Operating System, Security and Personal Data Processing and Protection		
11.	The interactive gaming system shall operate on a principle of randomness and shall comply with the following requirements:	Acknowledged	Information only
11.1	The probabilities of results of interactive gambling or interactive lotteries (hereafter – an interactive game) shall be based on the principle of randomness;	Compliant	This online slot game is played utilizing the certified RNG.
11.2	The results of an interactive game cannot be predicted, i.e. it shall not be possible to calculate the next combination of numbers or symbols, even if there is information available about the previously created combinations, their calculation algorithm or computing hardware that calculates the next combination of numbers or symbols.	Compliant	This online slot game is played utilizing the certified RNG.
12.	The result of an interactive game and the player's prize shall be independent of:	Acknowledged	Information only
12.1	The player's computer equipment, or the central processor, memory, hard disk capacity or other hardware or devices or other equipment that can be used in an interactive game (hereafter – player's computer equipment);	Compliant	The game results are based on random numbers generated by the RNG and are independent of external factors and devices.
12.2	The bandwidth of the Internet connection, the type of connection, the bit error rate or other communication channel characteristics used by a player to communicate between the gaming system and the player's computer equipment.	Compliant	The game results are based on random numbers generated by the RNG and are independent of external factors and devices.
