---

## Game description

BF Games is never slowing down the heat! Burning Slots 40 is flaming straight into the action and turning up the juice to the ultimate level. Tickle your tastebuds with the third game joining the fan-favourite Burning Slots series with Lucky Horseshoe Scatters, Four-Leaf Clover Wilds, Gold Pot Bonuses and Golden Four-Leaf Clover Expanding Wilds.

## Marketing description

The third and latest slot to join the chart-topping Burning Slots series is bringing in all the juice! This time around, Burning Slots 40 is kindling its flames with a 5-reel, 4-row setup, with 40 impressive ways to keep the fire alive — that's double its predecessor!

Add a dash of extra spice to your gameplay with blazing hot slot features. Take a bite out of a delicious selection of fruity treats with the help of Lucky Horseshoe Scatters, that can appear on the first, third and fifth reels, forming a winning combination. Keep your eyes peeled for fiery Four-Leaf Clover Wilds on the second, third and fourth reels, as they substitute for all other symbols, except Scatter and Bonus symbols, giving you the chance to form extra scrumptious wins. Go for gold with Golden Four-Leaf Clover Expanding Wilds, which similar to our handy Wild Symbols, substitute for all other symbols on the reels besides Scatter and Bonus symbols but also ignite throughout the entire reel. Coming across three or more Pot Of Gold Bonus Symbols on the reels is certainly deemed as good fortune, as this results in a winning combination being formed.

With palatable graphics and top-notch features, Burning Slots 40 is the perfect nutrient-filled slot to sink your teeth into!
