

# Dark Carnivale Dice™

---

Dark Carnivale Dice is a 5-reel, 3-row video slot with 20 paylines. The objective is to land as many identical symbols as possible along a payline. Winning combinations start on the first reel on the left (excluding SCATTER symbols) and run along an active payline to the last reel on the right. Only the highest winning combination is paid per line.

## Free Spins

Landing three or more SCATTER symbols will trigger 12 FREE SPINS, with extra STACKED WILD symbols. If FREE SPINS are retrigged, the player unlocks 12 extra FREE SPINS, which are added to the current number of FREE SPINS. FREE SPINS are played using the same trigger bet and paylines that were active during the normal gameplay mode in which FREE SPINS were triggered. During FREE SPINS an alternate set of reels is used.

## Scatter

The SCATTER in the game is the CIRCUS symbol. Landing three or more SCATTER symbols will trigger 12 FREE SPINS. SCATTER symbols can only appear on reels 1, 3 and 5. Only one SCATTER can appear on each reel. WILD and SCATTER symbols cannot appear simultaneously on the same reel.

## Stacked

In regular play, the STACKED symbol is the LADY symbol. Two or three LADY symbols can be stacked on each reel. Therefore, it is possible to spin fifteen LADY symbols on

the reels. During FREE SPINS, the STACKED symbols are both the WILD and LADY symbol. Two or three of these symbols can be stacked on each reel. Therefore, it is possible to spin fifteen LADY symbols on the reels. Furthermore, it is also possible to spin fifteen WILD symbols on the reels.

## **Wild**

The WILD in the game is the CART symbol. Wins using a combination of WILD symbols only are possible. WILD symbols can appear on all reels and substitute for all other symbols except for the SCATTER symbol. Only one WILD symbol can land on each reel. WILD and SCATTER symbols cannot appear simultaneously on the same reel.
