

## Dark Carnivale Dice™

### Game description

A circus came to the city, so it seems to be a wonderful evening full of attractions and fun. But as soon as it hit midnight, dead objects came to life, and the clowns changed into zombies. Warning! A crazy bear is running with a knife, run away or stay if you dare. You can't escape from Dark Carnivale Dice™ until the end of the performance.

### Marketing description

Creepy, Dark Carnivale Dice™ video slot will freak you out! If you're brave enough, you can count on Wild, Scatter and Stacked Symbols to bring you happiness and help to survive in this ghastly place. Playing in Free Spin mode and multiplying wins in Gamble Game will make you forget about fear.

Dark Carnivale Dice™ video slot have 5-reels, 3-rows and 20 winning lines. Wild symbol substitutes all symbols except Scatter. 3 Scatter symbols trigger 12 Free Spins with stacked Wild symbol.
