

Energy Stars™

Energy Stars is a 5-reel, 3-row video slot with 20 paylines. The objective is to land as many identical symbols as possible along a payline. Winning combinations start on the first reel on the left (excluding the SCATTER symbol) and run along an active payline to the last reel on the right. Only the highest winning combination of one symbol is paid out.

Scatter

The SCATTER in this game is the BELL symbol. SCATTER symbols can appear on all reels. Only one SCATTER can appear on each reel. Landing three or more SCATTER symbols on the reels creates a winning combination.

Wild

The WILD in the game is the STAR symbol. Combinations using only WILD symbols can create wins on lines with bets. The WILD can appear on all reels and substitutes for all other symbols except SCATTER symbols. It is possible to land up to three WILD symbols on each reel. Therefore, it is possible to spin fifteen WILD symbols on the reels, allowing for the biggest possible win in this game.
