

Fiery Slots Dice™

Game description

Bring on the heat with the latest title by BF Games! Sink your teeth into a selection of delicious treats along your journey to the Fiery Slots Dice reels and let the heat simmer with Fireball Scatters and Stone Wilds.

Marketing description

BF Games is firing up your gameplay like never before in the all-new Fiery Slots Dice reels! The latest title to keep the flame high is Fiery Slots Dice, which has a 5-reel and 4-row setup alongside 40 blazing-hot ways to rack up wins.

Fiery Slots Dice comes jam-packed with delicious fruits! Whether you're into bitter lemons, juicy blueberries, sweet watermelons, zesty oranges, tasty plums or ripe grapes, BF Games' latest game has got you covered.

Although Fiery Slots Dice takes on a traditional video slot design, you could find yourself relishing in the exciting Fireball Scatter and Stone Wild symbols at any moment. Fireball Scatters can blast their way over to any reel, and landing three of them could evoke a winning combination. You could also find yourself in the rubble of flaming-hot Stone Wilds. These also appear on any reel, but replace all other symbols except for Fireball Scatter symbols.

What's better than the hottest features and scrumptious treats? Chown down into the Fiery Slots Dice reels for the most mouth-watering experience around!
