

# Legacy Of Tombs™

---

Legacy of Tombs is a 5-reel, 3-row video slot with 10 fixed paylines. The objective is to land as many identical symbols as possible along a payline. Winning combinations start on the first reel on the left and run along an active payline to the last reel on the right. Only the highest winning combination is paid per line. Wins from different paylines are added up.

## Scatter / Wild

The PYRAMID symbol is both the SCATTER and WILD symbol. PYRAMID symbols can appear on all reels. Only one PYRAMID can appear on each reel.

## Free Games

Landing three or more SCATTER symbols will trigger 8 FREE GAMES, with a special EXPANDING symbol feature. Before the start of each FREE GAMES session, one of the symbols (except for the SCATTER symbol) randomly becomes the EXPANDING symbol. If FREE GAMES are retriggered, the player unlocks 8 extra FREE GAMES, which are added to the current number of FREE GAMES and an additional randomly selected EXPANDING symbol is added to the stake.

## Expanding

When the EXPANDING symbol appears on the reel, all the symbols on that reel are replaced by the EXPANDING symbol if enough symbols for a win are present. The special EXPANDING symbol cannot be substituted by a PYRAMID symbol. The player can

unlock up to 9 EXPANDING symbols. EXPANDING symbols pay like regular symbols but even on non-adjacent positions.

## **Buy Feature**

This game offers you the possibility to purchase FREE GAMES instead of waiting for them to trigger. For 80× base bet the player can buy 8 FREE GAMES. Each purchase immediately triggers FREE GAMES. The player can access the FREE GAMES BUY FEATURE panel by pressing on the “buy” button in the bottom right corner. FREE GAMES BUY FEATURE can be activated in base game only.
