

# Legacy of Tombs™

---

## Marketing description

Journey into the heart of ancient civilisations in BF Games' latest Legacy of Tombs reels, where age-old secrets and treasures abound. Unravel the mysteries of the tombs, lined with alluring hieroglyphs and guarded by mythical creatures. Feel the thrill of Pyramid Scatters and Wilds alongside Free Spins to help you make every spin an all-new chapter in this exciting archaeological narrative!

## Game description

Unveiling a relic of gaming brilliance, Legacy of Tombs — the newest offering from BF Games. This mesmerizing 5-reel, 3-row slot brings 10 fixed paylines and a world steeped in the mysteries of ancient civilizations and long-forgotten treasures.

Introducing the game-changing Pyramid Scatters that not only spark intrigue but also act as Wilds. They have the power to appear on all reels, enriching the gameplay with dynamic opportunities. But the grandeur doesn't stop there, these multifaceted symbols carry the promise of more!

Land three or more of these precious Pyramid Scatter symbols and unlock a trove of 8 Free Spins complete with a special expanding feature. A symbol is chosen to expand before each Free Spin round, transforming into a bonus bonanza. Should fortune favour and the Free Spins round is re-triggered, another 8 Free Spins join the game along with an additional expanding symbol, offering a rich tapestry of possible combinations.

The magic intensifies as the Expanding symbols make their appearance. If enough symbols for a win are present, they overtake the reel, replacing all others. You can unlock up to nine of these symbols, each bringing you a step closer to legendary winnings.

Yet, the mystery of Legacy of Tombs doesn't need to remain locked away. For those who wish to expedite their journey into the depths of the tombs, there's an option to purchase 8 Free Spins for 80x the base bet. With every purchase, the Free Games feature is instantly activated, throwing the doors wide open to the enthralling world of Legacy of Tombs. Adventure awaits - will you answer its call?
