

# Ocean Reef™

---

Ocean Reef is a 5-reel, 3-row video slot with 20 paylines. The objective is to land as many identical symbols as possible along a payline. Winning combinations start on the first reel on the left (excluding the SCATTER symbol) and run along an active payline to the last reel on the right. Only the highest winning combination of one symbol is paid out.

## Free Spins

Landing three or more SCATTER symbols will trigger 15 FREE SPINS with a x3 multiplier. During FREE SPINS an alternate set of reels is used. If FREE SPINS are retriggered, the player unlocks 15 extra FREE SPINS, which are added to the current number of FREE SPINS. FREE SPINS are played using the same trigger bet and paylines that were active during the normal gameplay mode in which FREE SPINS were triggered.

## Scatter

The SCATTER in this game is the CHEST symbol. Landing three or more SCATTER symbols will trigger 15 FREE SPINS with a x3 multiplier. SCATTER symbols can appear on all reels. Only one SCATTER can appear on each reel. WILD and SCATTER symbols cannot appear on the same reel. It is possible to generate winnings by a combination of SCATTER symbols only. SCATTER combinations are paid in addition to line combinations.

## Wild

The WILD in the game is the SHARK symbol. WILD symbols can appear on all reels and substitute for all other symbols except for the SCATTER symbol. Only one WILD can appear on each reel. WILD and SCATTER symbols cannot appear on the same reel. Combinations using only WILD symbols can create wins. Five WILD symbols along a line make the biggest possible win. WILD symbols double the win when substituting. A win from WILD symbols only is not doubled. A win formed with more than one WILD symbol is doubled once only.
