

Pagoda of Fortune

A treasure chest hidden in Pagoda of Fortune™ video slot can be obtained in 243 different winning ways. Flower petals appearing on slot herald big wins, because sprinkled rows clone their symbols to create TWIN reels. Wild symbol substitutes all other symbols on video slot. If you dare, try your luck in Gamble Mode and multiply your winnings.

A treasure chest hidden in Pagoda of Fortune™ can be obtained in 243 different ways. Sit comfortably under the blossoming trees, on the edge of the river and have fun. The flower petals of apple tree are falling on your drum? It's a good sign, sprinkled rows clone their symbols.
