

Royal Win Dice™

Royal Win Dice is a 5-reel, 3-row video slot with 10 paylines. The objective is to land as many identical symbols as possible located at any position on adjacent reels. Royal Win is a 2 way pay slot, where winning combinations can be made on active paylines from left-to-right and from right-to-left of the reels. Only the highest winning combination from the payline is paid. Payouts are made according to the PAYTABLE. For more information, see the PAYTABLE.

Wild

The WILD in the game is the CROWN symbol. WILD symbols can only appear on the middle three reels and there can only be one WILD symbol on each of the middle three reels. WILD symbols substitute all other symbols on the same reel. If one or more WILD symbols appears on any reel during regular play, then only one RESPIN is triggered.

Respin

During RESPIN reels with WILD symbol stays the same. Only other reels are spinning. 3 RESPINs maximum are possible. During the RESPINs an alternative set of reels is used.
