

Royal Win Remastered™

Game description

Participate in a knight tournament in the Royal Win™ timeless, remastered video slot. With the jewelled crown on the line, the bar is set high by those who venture to claim it. Landing on the middle reels will reward you with a Respin, which serves as a definite advantage in the tournament. Ready your sabres and have fun!

Marketing description

Royal Win Remastered™ is a classic slot offering countless fruits, sevens and bells symbols with a brand-new look and feel!

This regal slot brings the best of Royal Win™ and modern gameplay to a familiar 5x3 setup with 10 paylines and grandiose payouts. You may want to keep an eye out for the immaculate Royal Crown symbol; as the game's Wild, the crown substitutes for all other symbols, holds its reel and activates a Respin on all of the other reels.

Winning combinations can be made from left to right and from right to left. The slot also features a Gamble mode, which offers players the chance to double their winnings.
