GAME FEATURES

RUBY JOKER

Scatter - can appear on all five reels, and only one Scatter can appear on each reel. Landing three or more Scatter symbols forms a winning combination.

Wild - can appear on reels 2, 3, and 4 and substitutes for all symbols except Scatter and Bonus. Only one Wild can appear per reel, and it cannot appear on the same reel as a Scatter symbol.

Expanding Wild - whenever Wild is a part of the winning line, it expands and covers the full reel, transforming into Expanding Wild.

Bonus - can appear only on reels 1, 3, and 5. Landing three Bonus symbols will form a winning combination.

Joker Spins - with the Joker Spins feature set to "on," the Wild symbol is guaranteed to appear on the reels during every spin.
