

Frozen Yeti™

Frozen Yeti is a 5-reel, 3-row video slot with 10 fixed paylines. The objective is to land as many identical symbols as possible along a payline. Winning combinations start on the first reel on the left and run along an active payline to the last reel on the right. Only the highest winning combination is paid per line. Wins from different paylines are added up.

Scatter

The SCATTER in this game is the YETI symbol and can appear only on three middle reels. Only one SCATTER can appear on each reel.

Wild

WILD symbols can appear on maximum 4 reels and substitute for all symbols except for the SCATTER symbol. For each WILD in a winning payline, the win is doubled.

WILD substitutes for all symbols except for the SCATTER symbol and multiplies the win only if it's a part of the winning combination.

Sticky Spin

During base game, there is a random chance to trigger the STICKY SPIN feature. The winning symbols will stick to their positions on reels for the duration of RESPIN. If during RESPIN another win is landed, the winning symbols will stick to the reels together with the ones landed in the previous turn. Each of the stuck symbols will transfer to the next RESPIN, stacking up on the reels until no further RESPIN is won. The RESPIN feature will finish when no additional winning combinations are achieved. Only the win

from the last RESPIN will be paid out. During FREE GAMES, landing a winning combination will always trigger a RESPIN.

Free Games

Landing 3 SCATTER symbols will trigger 10 FREE GAMES. FREE GAMES are retriggered if 3 SCATTER symbols appear on reels during FREE GAMES. If FREE GAMES are retriggered, the player unlocks 10 extra FREE GAMES, which are added to the current number of FREE GAMES. FREE GAMES rounds are played at triggered bet and lines, on an alternate set of reels.

Buy Feature

This game offers you the possibility to purchase FREE GAMES instead of waiting for them to trigger. For 60× base bet the player can buy 10 FREE GAMES. Each purchase immediately triggers FREE GAMES. You can access the FREE GAMES BUY FEATURE panel by pressing on the "buy" button in the bottom right corner. FREE GAMES BUY FEATURE can be activated in base game only.
