

Star Settler™

Star Settler is a 5-reel, 3-row video slot with 20 fixed paylines. The objective is to land as many identical symbols as possible along a payline. All line wins are multiplied by line bet. SCATTER and BONUS symbols are multiplied by total game bet. Winning combinations start on the first reel on the left (excluding the SCATTER symbol) and run along a payline to the last reel on the right. Only the highest winning combination of one symbol is paid out.

Bonus

Landing BONUS on the 2nd, 3rd and 4th reel will activate the Pick and Click feature. There are six different randomly shuffled values which will illustrate 5, 10, 20, 30, 40 and 50 multiplier of the bet. The player can choose one symbol shown on the screen. The number chosen by the user is the value which user wins. The win will be added to the player's balance.

Free Spins

Landing three or more SCATTER symbols will trigger FREE SPINS mode. There are five different, randomly shuffled values, which are: 5, 10, 15, 20, 30. The player can choose one symbol shown on the screen. The number chosen by the user is the number of FREE SPINS. FREE SPINS can be retriggered. If FREE SPINS are retriggered, the player unlocks the initial number of the FREE SPINS, which are added to the current number of FREE SPINS. FREE SPINS are played at triggered bet and lines. During FREE SPINS an alternate set of reels is used. During the FREE SPINS WILD symbols are not displayed on the reels.

Free Spins Features

During the FREE SPINS both COLD WILD and HOT WILD can come separate and not from the reels, but randomly. The COLD WILD feature awards with 4 symbols in the shape of the square on the reels 1 to 4. The HOT WILD feature awards with 3 symbols diagonally.

Wild

WILD symbols appear on middle three reels only. WILD substitutes for all other symbols except for the SCATTER and BONUS symbol. Only one WILD symbol can land on each reel. If the WILD and PLANET BLUE symbols appear on the screen, all winnings shown on the screen are tripled, including the winnings from the SCATTER symbol.

Scatter

SCATTER symbols can appear on all reels. Only one SCATTER can appear on each reel. Landing three or more SCATTER symbols on the reels creates a winning combination. Three or more SCATTER symbols trigger FREE SPINS. WILD and SCATTER symbols cannot appear simultaneously on the same reel.
