

## Street Basket 3x3 Dice

Street Basket 3x3 Dice is a 3-reel, 3-row video slot with 5 fixed paylines. The objective is to land as many identical symbols as possible along a payline. Winning combinations start on the first reel on the left and run along an active payline to the last reel on the right. Only the highest winning combination is paid per line. Wins from different paylines are added up.

### Wild

The WILD symbol substitutes for all other symbols on the reels except for the BONUS symbols. The WILD symbol can appear on all reels. Combinations using only WILD symbols can create wins.

### Basket Symbol

The BASKET symbol can appear only on the second reel. It collects all BALL and REWARD symbols and adds them to the spin winnings in the regular game or total win in the BASKET BONUS. When there are more than 1 BASKET symbol on the reels, each of them collects BALL and REWARD symbols individually.

### Ball Symbol

BALL symbols can appear only on the first and the third reel. Each BALL symbol has a randomly assigned value of 1x/2x/3x/5x/7x/10x/15x bet stake.

### Rules Rewards

REWARD symbols can appear only on the first and the third reel. There are 4 different REWARD symbols: MINI (20x bet stake), MINOR (50x bet stake), MAJOR (150x bet stake), and GRAND (1000x bet stake).

### Basket Bonus

Landing BONUS symbols on all 3 reels triggers BASKET BONUS. Only BONUS symbols appear on reels during the BASKET BONUS. All BASKET symbols that hit will remain on the screen until the end of the BASKET BONUS, and they collect the BALL and REWARD symbols individually, starting from 0. BALL and REWARD symbols spin individually each round. BASKET BONUS starts with 3 respins. Each new symbol resets the number of respins to 3. When all respins are completed, the value of all

BASKET symbols is added to the total win.

### **Pile of balls**

During the regular game, any BONUS symbol landing on the reels gives a chance of triggering the pile of balls feature, which adds BONUS symbols in a quantity enough (or more) to activate the BASKET BONUS.

### **Extra Chance**

With the EXTRA CHANCE feature set to “on”, the player has double the chance of triggering the pile of balls feature during every regular spin. The cost of the EXTRA CHANCE is an additional 40% of the player’s current bet stake. Regardless of whether the EXTRA CHANCE feature is on or off, the winning combinations are always paid the same.
