

## Stunning 27 Remastered™ Thumbnail Guideline

**Catch lucky 7s for an incredible win!**

Dear Partner,

Along with Stunning 27 Remastered™ pack, we are giving you the opportunity to create thumbnails on your own. While doing it, please remember about rules below.

Examples of how proper thumbnail should look like.

1. Thumbnail must include game logo and background, along with characteristics symbols or game's main character.
2. Our logo has two variants – horizontal and vertical – remember to choose correct version, so it will always be clearly visible and legible.
3. While creating thumbnail don't manipulate our elements – don't change colors, distort the shape of our logo or add unrelated elements that do not come from official graphic asset that we provide.

All the assets that you will need to create a thumbnail can be found Stunning 27 Remastered™ promo pack. If you have any questions about how to adapt our design, feel free to contact us.

If you need icons for our games in special sizes, banners or other promotional materials please contact your Account Manager or [sales@bfgames.com](mailto:sales@bfgames.com) – our team will be happy to help.
