Game description

Stunning Cash – Cash Mesh LINK by BF Games is a 5-reel, 3-row video slot featuring 20 fixed paylines, combining classic fruit slot simplicity with powerful modern mechanics. Winning combinations form from left to right across active paylines, with only the highest win per line paid and all wins added together.

Adding extra sparkle to the base game is the STAR Scatter symbol, which can appear on all reels. Landing three or more Scatters awards a direct payout, independent of paylines, creating additional chances to win on any spin.

The core excitement comes from the Cash Mesh feature, triggered by landing 5 or more COIN symbols anywhere on the reels. Each COIN carries a predefined value or a JACKPOT/BONUS label. Once activated, the feature begins with 3 respins. All landed COIN symbols lock in place, while remaining positions respin independently. Every new COIN resets the respin counter back to 3, extending the round and building anticipation with every drop.

The feature continues until no respins remain or all 15 positions are filled. Fill the entire grid to activate the Full House, applying a $\times 2$ multiplier to the total value of all

collected COIN symbols (excluding jackpot and bonus rewards), significantly boosting the final payout.

During Cash Mesh, players can also land JACKPOT and BONUS labels on COIN symbols. MINI and MINOR bonuses award fixed prizes of 2× and 3× the bet, while MAJOR and GRAND jackpots are linked progressive prizes that grow over time across the network, offering the potential for substantial wins.

With its straightforward gameplay, bright neon aesthetics, Scatter wins, and engaging Cash Mesh mechanics enhanced by LINK jackpots, Stunning Cash – Cash Mesh LINK delivers a fresh and visually stunning take on the beloved classic slot formula.
