### **Game description**

Stunning Crown – Cash Mesh LINK is a 5-reel, 3-row video slot with 10 fixed paylines, combining classic fruit aesthetics with enhanced gameplay features.

Crown Wilds appear on reels 2, 3 and 4, expanding to cover the entire reel when part of a winning combination, significantly boosting win potential. Star Scatter symbols trigger Free Games, where lower-paying symbols are removed to increase the chances of higher-value combinations.

Orb Bonus symbols add extra winning opportunities within the base game, appearing on reels 1, 3 and 5 when forming a combination.

The highlight feature is Cash Mesh — triggered by landing 5 or more Coin symbols. During the feature, Coins lock in place while remaining positions respin, with each new Coin resetting the respin counter. If all positions are filled, a Full House ×2 multiplier is applied to collected Coin values, increasing the total win.

Enhanced with Cash Mesh LINK, the feature also includes the chance to land Coin symbols with Mini, Minor, Major and Grand jackpots shared across the network.
