

Stunning Crown Extra Dice

Stunning Crown Extra Dice is a 5-reel, 3-row video slot with 10 fixed paylines. The objective is to land as many identical symbols as possible along a payline on adjacent reels. Winning combinations start on the first reel on the left and run along an active payline to the last reel on the right. Only the highest winning combination is paid per line. Wins on different paylines are added.

Scatter

The SCATTER in this game is the STAR symbol. The SCATTER symbol can appear on all reels. Only one SCATTER can appear on each reel. Landing three or more SCATTER symbols will form a winning combination. WILD and SCATTER symbols cannot appear simultaneously on the same reel.

Wild

The WILD is the CROWN symbol. The WILD appears on reels 2, 3 and 4 and substitutes for all other symbols except SCATTER and BONUS symbols. Only one WILD can appear on each reel. WILD and SCATTER symbols cannot appear simultaneously on the same reel. Whenever WILD symbol appears on the winning line, it expands and covers full reel transforming into EXPANDING WILD.

Bonus

The BONUS in this game is the ORB symbol. The BONUS symbol can appear only on reel 1, 3 and 5. Landing three BONUS symbols will form a winning combination.

Crown Spins

With the CROWN SPINS feature set to “on”, the WILD symbol is guaranteed to appear on the reels during every spin. The player is able to choose the guaranteed number of WILD symbols between 1, 2, or 3, which cost correspondingly 6x, 20x, or 65x the current base bet stake. The final cost of each of the CROWN SPINS is called TOTAL BET. To deactivate the feature, pick the same number of CROWN SPINS again or click the {0} button. Regardless of whether the CROWN SPINS feature is on or off, the winning combinations are always paid the same. During the CROWN SPINS feature, an alternative set of reels is used.
